## Justin Bieber

He is 23 years old.

We all have a piece of Justin inside everyone of us with the famous singles: *“What do you mean ?” “Sorry”*...

While he was hardly known before 2008 when he was discovered through his You Tube videos, there is only one Justin Bieber now in the US and across the world.

He was born in 1994 in Ontario, Canada.

He became interested in playing the piano, drums, guitar and trumpet as a teenager.

He sang at the age of 12 “So sick” for a local singing competition in Stratford, Ontario.

He’s captivating young people today introducing them to “soft, supple and seductive singing” (Daily Telegraph).

The pop and R&B style he brought from Justin Timberlake makes him an idol for the youth nowadays.

He said *“ my world 2.0 was influenced by Timberlake”*.

A new life for him began in 2009 when his song “My world” was certified platinum in the US.

His career has spanned for more than 8 years and has sold 100 million records. He became the first artist to surpass 10 billion video views on Vevo. An army of fans follows his tours from big cities to small towns.

Bieber holds a special place on the music scene today.

David Guetta says “I'm very proud to finally share a record with him », « he has a unique voice » (2017).
