

### *CLAC Draw My Life (Cycle 4)*

Dans ce projet animé en classe accompagnée, les élèves doivent créer un « draw my life » : il s'agit d'une vidéo sur laquelle chaque élève dessine et raconte les grandes étapes de sa vie. Pour réaliser ce travail d'expression orale en continu, ils doivent être capables de :

- connaître le vocabulaire de la famille
- maîtriser les conjugaisons au prétérit simple
- savoir rédiger une biographie

Lors des deux premières séances en classe entière, les élèves travaillent sur une première vidéo, de manière à identifier le document, à en définir les différentes étapes (niveau A2) et à repérer l'implicite (humour, ton, chants...Niveau B1). La vidéo peut être étudiée en entier ou en partie (jusqu'à 2'45)

#### *Support de la première séance :*

Afin de remobiliser ces outils, l'enseignant propose aux élèves un dossier comprenant 3 domaines d'expertise: des activités lexicales autour de la famille comprenant des exercices de vocabulaire et une compréhension écrite, des activités grammaticales autour du prétérit comprenant un diaporama explicatif et des exercices, et des activités de compréhension orale sur des vidéos « draw my life » pour le repérage d'éléments liés à la biographie.

Chaque élève reçoit une FICHE INDIVIDUELLE des objectifs, afin de savoir ce qu'il doit faire, et où cela le mène. La FICHE EXPERTS de validation des étapes est vidéoprojetée de manière à ce que chaque élève sache ce qu'il a validé, ce qu'il lui reste à faire et quels sont les élèves pouvant l'aider.

A la fin des séances prévues, les élèves filment leurs dessins et enregistrent leur texte à la maison. De retour en classe avec ces deux fichiers, ils sont en mesure de monter leur projet en suivant le tutoriel.
