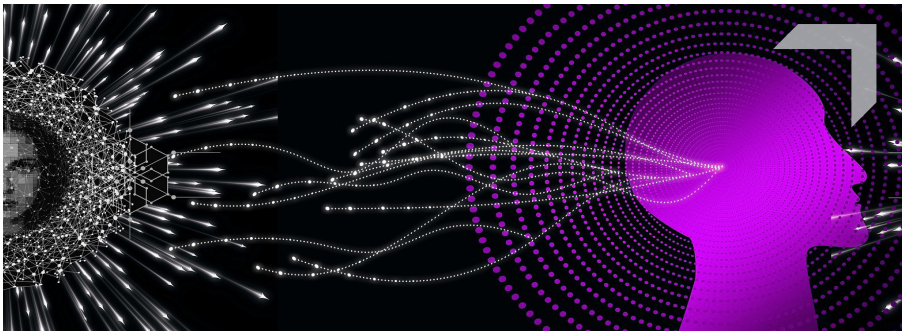
LA BOITE NOIRE

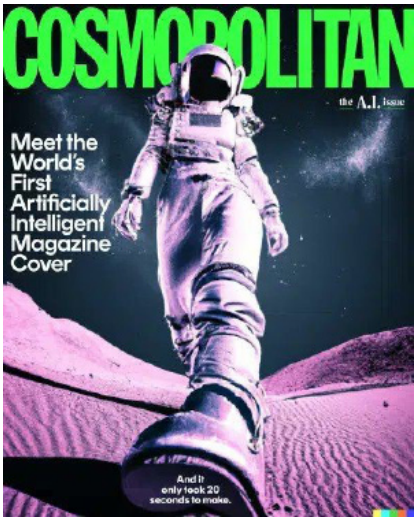
BLACKBOX • ARTIFICIAL INTELLIGENCE NEWSLETTER



1 DATE

June 2022

An AI makes the cover of Cosmopolitan magazine: here, the request was made in DALL-E entering "wide-angle shot from below of a female astronaut with an athletic feminine body walking with swagger toward camera on Mars in an infinite universe, synthwave digital art".



1 ACTIVITY

Escape Cards to discover artificial intelligence

The Délégation régionale au numérique pour l'éducation (DRNE) Bourgogne-Franche-Comté has designed a game to introduce the concept of AI through various puzzles to be solved in 20 minutes (from 11 years old).

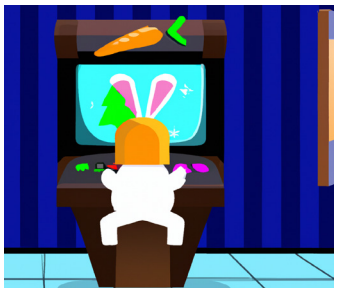
1 RESSOURCE

DALL·E by OpenAi



An AI system capable of creating realistic images and realistic artworks from a textual description, while combining concepts, attributes and styles. Once you activate your account, you get 50 free credits for the first month and 15 credits each month.

Here is an example of a creation obtained with the following sentence:
"A cartoon rabbit playing video games on a carrot-shaped arcade cabinet in a bar".
