intro

Good morning, my name is Bastien Biancardini

I would like to give a short presentation about my work experience in UK with Erasmus Project.

Slide 1:

I had my work experience in Portsmouth. It is a large city by the seaside on the south coast of England.

I studying for Logistics and distribution and you can see this is a very large international ferry port with distribution across Europe.

Slide 2:

As you can see the isle of Wight is opposite.

Slide 3:

There are many activities in the harbour for example: Bars, restaurants, shoppings and the very high Spinnaker tower.

Slide 4:

There is a lot of history with the navy in Portsmouth with historic and modern ships.

Slide 5:

My program with Erasmus in Portsmouth lasted 3 weeks.

At the week-end we have free time to do sports, visit nightclubs.
Slide 6:
Here we can see some of the very large companies with operates logistics at the international port.

Fyffes is the company which brings fruits from many exotic countries and is distributed all over England.

Slide 7:
Some very large Logistics companies... International ferry port, postal service.

Slide 8:
I had my work experience at Primark Logistic
It was a very busy company with large deliveries every day, so I work very hard but I had a very nice supervisor.

Slide 9:
Here is the school where I went to work an English speaking and complete my project and this presentation.

Slide 10:
There are many interesting places to visit in Portsmouth also near Portsmouth are other interesting cities.

I visited Brighton which is a very cool town also on the sea front.

And of course I visited London to see the sights. For example: London Eye, Tower of London, Piccadilly Circus, Trafalgar Square, Oxford Street...

I had a good time in England and I would like to go back again and thank you for listening.
