Romain Puèrtolas was born 39 years ago in Montpellier.

He wrote *The extraordinary journey of the fakir who got trapped in an Ikea wardrobe* on his mobile phone whilst working as a French border guard.
Romain has previously worked as a cleaner at the Brighton Palace Pier, where he learnt how to say « don't lean on the slot machine » without a French accent.

This is his first novel.

The extraordinary journey of the fakir who got trapped in an Ikea wardrobe,
