Seminar N° 18 33 02

Dear Colleague,

As mentioned in our cooperation agreement in the field of education, we regularly offer seminars for German teachers of our partner regions. Today I would like to invite you to send up to 3 teachers (general education or vocational training) from schools of your region to the seminar in 2018 focussed as well on didactics and methodology of teaching German as foreign language as on regional studies. Subsistence costs (hosting, food, local transport) will be covered by our Ministry, the sending side will be in charge of the travelling costs.

Enclosed, you will find the proposed programme as well as further information. It will be a multinational seminar with participants of our European partner-regions so that the participants will have to use German as their common language. I would be very pleased to welcoming theachers of your region at Lower-Saxony.

The course will take place from **22.08.- 02.09.2018**. Please be so kind to inform interested teachers concerning the application procedure and ask them to registrate until **16.06.2018** latest. If there will be more applications than offered places in this seminar, we will have to select the participants. To be able to do this in a convenient way I kindly ask you to send me a regional ranking list of your candidates. Candidates will have to get registrated by themselves (information enclosed).

Yours sincerely

Christel Schröder
