[Friday question for november 10, 2023 - France Inter](#)

Can we be consoled by artificial intelligence?

Through chatbots, these conversational agents that can now talk with us on a wide range of subjects, give us advice and listen to us, is artificial intelligence becoming a form of emotional support? It's time for the question that consoles !

[AI and women](#)

Relive the "AI and Women" Day organized by the Unesco RELIA Chair at the University of Nantes.

1 quote :

"No emotional awareness, no feeling-sense of the actual meaning of what she said. Only the hollow, formal, intellectual definition of the separate terms."

(Do Androids Dream of electric Sheep ? : Philip K. Dick)

1 date : November 2, 2023

The new Beatles single "Now and Then" is released.

[The last Beatles song](#)

The story behind the song is available here:
